LOOK FOR THIS SEAL BEFORE YOU BUY INSURANCE! ONLY AN INDEPENDENT INSURANCE AGENT CAN DISPLAY IT.

Because... Your Safer... Better Protected... When You Buy Your Insurance Thru an Independent Insurance Agent...

ONLY an independent insurance agent can make sure all your insurance risks are covered by insurance. No single company can do this... because no one company offers every type of business insurance. When you buy insurance directly from an insurance company, it's likely you'll hear only about the policy or policies which that company wants to sell you. An independent insurance agent, on the other hand, is free to choose the best insurance for your business out of hundreds of policies offered by different competing companies.

Your independent insurance agent will personally supervise a complete analysis of all your business exposures, prevent wasteful overlapping of insurance coverage, recommend additional protection where needed, and see to it that your business insurance is kept up-to-date.
